## What's For Lunch at Bespoke Kitchen; Why Alidoro's Sandwiches Are Perfect for Super Bowl Parties

By Bao Ong | January 26, 2016 | [Food & Drink](#)

What's for lunch at Bespoke Kitchen, and why are Alidoro's new hot sandwiches perfect for your Super Bowl parties? That and more in this week's dining news....

### Lunch Service Launches at Bespoke Kitchen

At Bespoke Kitchen, chef Franco Barrio cooks up a creative menu that can often be tailored to your taste. While a more relaxed lunch service available Mondays through Fridays 11:30 a.m.-3:30 p.m. launched this week, the menu still puts an emphasis on fresh, local cuisine. From the butternut squash soup to a turkey croissant, you can build an elegant meal that doesn't require you to spend all afternoon at the table. 615 ½ Hudson St., 212-989-3155
