Picholine Vet Opening Bespoke Kitchen; Big Barbecue Spot Slated for Gowanus

WEST VILLAGE — Chef Franco Barrio, a **Casa Mono** and **Picholine** alum, is opening Bespoke Kitchen in the West Village. As the name might suggest, the restaurant will have diners choose a protein and a vegetable, and then the server will ask a series of questions to help the chef "hone in" on how to prepare it. If that sounds too adventurous, there are also some predetermined dishes on the menu, like rotisserie chicken with cassava fries, or pork belly and sea urchin fried rice. Expect it to open in May. 615 1/2 Hudson Street [Plywood]
